Selection of this year's **Top 20 Learning Portal Companies** list was based on the following criteria:

- Breadth of functionality and capabilities
- Commitment to the corporate training market
- Industry visibility, innovation and impact
- Number and strength of clients
- Geographic reach

"Our Top 20 Learning Portal Companies list represents the companies that support the administration and delivery of learning content. These innovative companies integrate an array of technologies into their portals to support engagement, and bring a deep set of industry experience," said Ken Taylor, Chief Operating Officer of Training Industry, Inc.

"These companies use a variety of strategies to ensure content is easily accessible to the learner. There is also a strong focus on improving the ease of use through simple, innovative platforms and interfaces," said Doug Harward, Chief Executive Officer of Training Industry, Inc.

TrainingIndustry.com will also announce its Top Learning Portal Companies "Watch List" in the coming weeks. While reviewing application surveys and company interviews, the selection committee uncovered a number of exciting and innovative companies that are beginning to solidify their place in the learning technologies marketplace. Stay tuned for more on that list.
