

# Solution for online discussions

Enables participants to use the online chat feature on the MOS Chorus platform.

Facilitates communication between learners and tutors via a chat window.

MOS - MindOnSite relies on the Cute Chat application.

## Customisation

It is possible to customise one's messages: font type and colours, use of emoticons, file transfers, private messaging.

A private chat room can be created for a group.

## Security

This extension includes features such as chat moderation, profanity filtering and user blocking.
