

Solution for sending email and SMS notifications

Sends reminders to different users (before or after the start or end date of a session).

Sends notifications to a user when enrolled or unenrolled from a session and in case of objective completion or failure.

MOS Reminder & Sms

Easy to use

Send notifications and reminders via email or SMS, in just a few clicks, and keep your learners informed.

Quick and automatic

Your users are automatically notified of their enrollment or unenrollment, of the start or end dates of their session and of the completion or failure of an objective.
