

Solution of e-commerce to sale training sessions

Offers online payment features to propose fee-paying training programmes on the MOS Chorus platform.

MOS - MindOnSite relies on PayPal's professional online payment solution.

Simplicity for administrators

Administrators of the MOS Chorus platform can propose fee-paying training sessions to their network of users.

They set start and end dates, time slots and prices.

They can define access restrictions such as limitations to specific number of hours, of days, of attending people.

Easy to pay for learners

Users can access the catalogue, choose their fee-paying session and register.

The payment is carried out via the online payment service PayPal.

Once the payment done, the course is made available on the MOS Chorus platform automatically.
