Selection to the 2019 Training Industry Top 20™ Learning Portal/LMS Companies List was based on the following criteria:

- Quality of learning portal/LMS user and administrative features.
- Industry visibility, innovation and impact.
- Number and strength of clients.
- Geographic reach.
- Company size and growth potential.

“The 2019 Top 20 Learning Portal/LMS Companies are the industry leaders in the administration and delivery of training programs,” said Ken Taylor, president of Training Industry, Inc. “They create best-in-class user experiences using strategies like personalization and curation so learners can quickly access, engage with and retain relevant courses and related content. Their innovative reporting and analytics features provide employers with the most up-to-date information on the learners’ training to successfully measure outcomes.”

“Our 2019 Learning Portal/LMS Watch List companies are a source of innovation in the learning technologies market,” said Danielle Draewell, market research analyst at Training Industry, Inc. “Many of these organizations are using advanced strategies like integrated artificial intelligence to transform the way learners interact with the platform and to better understand the data the system generates about their users.”
